## Vacancy - Events Staff

ad hoc, mainly weekends

Gorilla Spirits Co. was started in 2015 by our founder, Andy Daniels, with the vision to create an exceptional portfolio of spirits with an ethical conscience. Gorilla Spirits Co. is based in the heart of Hampshire, Upton Grey, making small batch, award winning spirits, including gin, vodka and coffee liqueur, all while donating £1 from every bottle to the Gorilla Organisation.

We're proud of our products and we're proud of the contribution we make to saving the endangered Gorilla population. We're a small, family style team, all focused on the mission of distilling, bottling, finishing, distributing and marketing Gorilla Spirits. So, now we're looking to expand our Events Team to continue to help spread the word and good work of Gorilla Spirits and to join our talented, passionate and hugely motivated team.

### Role:

Based prominently across the South of England our events schedule for 2019 is vast and exciting. We are looking for people with a positive attitude, excellent work ethic, who are confident, love speaking with the public, and are willing to work hard and have fun. From farmers markets, trade shows, and tasting events, you'll find us popping up stalls across the county this summer. Staff must be reliable, flexible and trust-worthy.

Gorilla Spirits will provide everything you need to make external events a real success; stock, gazebo, pop up bar, marketing materials and comprehensive brand and product training. We love getting out and showcasing our spirits to the public, telling our story, talking about our charitable contribution, and have people sample our range. Most importantly having fun while we do it!

### Responsibilities:

- Set up and clear down of stalls or stands
- Tastings
- Direct sales

Job Type: Casual

Salary: Competitive/Hourly

Expenses: 40p per mile and subsistence allowance dependent on hours

Experience:

- Previous experience preferred but not essential. Training provided
